### Eliminate Waste with Reusable Benchtop Lab Mats

Reusable, Reversible, and Chemical Resistant, these mats are a superior alternative to traditional single use pads. Keep your benchtops clean and safe from stains, spills and wear while saving money and waste associated with disposable paper mats. Available in yellow and purple. [Read More Here!](#)

### Storage Freezer Boxes

Eppendorf is proud to announce the launch of their new [Storage Boxes](#). Each well is laser etched with a code, making it permanent and easy to identify samples. Wells are vented to ensure uniform freezing, eliminating tube damage and breakage. They are fully autoclavable and dishwasher safe. 3x3 through 10x10 boxes available.
