

MG Scientific - New Year Multi Promotion Showcase

As MG Scientific celebrates 40 years in operation, we would like to say Thank You. Because you recognized the uniqueness of the MG service model, we have been able to achieve this major milestone. In the coming months, we will be unveiling our new website, complete with many amenities that were recommended by you, our customers, through the Customer Survey process. Thank you for your continued support in these last four decades. We look forward to serving you for many years to come.
